Re: Cause No. 4222-A; In the Estate of Ida Baldwin, Denison, Deceased; In the 39th
Judicial District Court of Stonewall County, Texas

Dear Mr. Castro:

Thank you for your letter dated November 17, 2003 in which you state your refusal to produce Mr. and Mrs. Denison for their depositions. I respectfully disagree with your assessment of the legal effect of the fraudulently induced "settlement agreement" on my client's right to conduct discovery in this case. To that end, we served a deposition notice yesterday for John Denison, and will serve a second notice for Mrs. Denison today. Please inform us of your intentions regarding these depositions at your earliest possible opportunity.

We recently became aware of several deeds prepared by you and filed by your client purporting to shift the ownership and the tax liability for the subject properties to the Bob Denison Trust. Please provide me with a copy of the court order authorizing that transfer of estate property. My client hereby demands that John Denison pay all outstanding taxes on all properties of the estate, including those made the subject of these recently filed deeds which you prepared. Curiously, neither my client, his attorneys, the ad litem, nor any other party or attorney connected with this case, received any notice from you that these documents were filed. Also interesting is the fact that several terms set forth in these absurd deeds are nowhere to be found in the settlement agreement the deeds are purportedly based upon.

I look forward to hearing from you regarding the depositions.
